Selects 96A U11

What an exciting year we had. This team of boys was extremely dedicated during training and games. They played exceptionally well throughout the season, giving 110% each time they came out, winning the spring and fall season.

In the last year this team has only lost one game in league and cup games. Congratulations to all the players for your outstanding achievements.

Spring Season - Great Lakes U12 Premier League

We were unbeaten in the spring league, playing in an older division. The boys played well as a team.

Canton Cup

The boys played extremely well in the Canton Tournament. They never lost a game, but missed out on going to the final because of goal averages.

Italy Cup - 2007 Cesenatico, Italy

After two years of dedicated hard work on the field and fund raising the players managed to reach their goal of attending the Italy Cup in Cesenatico, Italy. The boys, with the help of their parents, raised a total of \$48,000 to cover the cost of the trip. They stood for many hours, sometimes in extreme temperatures hoping for people to drop coins into their boxes on tag days. The parents and team also took part in creating a calendar, and had their pictures taken with celebrities in Windsor. This fundraiser proved to be very successful. The boys sold the calendars door to door in their effort to raise money. We also had two golf tournaments both of which were also very successful.

The competition in Italy proved to be very hard as we played in an older division (13-15 year olds). This enabled us to play 11 v 11 on full sized fields rather than 7 v 7 on smaller fields with smaller nets. Although they did not win any games, the players learned immensely from the experience, playing against countries where soccer is their one and only sport.

All in all the trip was a success all round. Congratulations players, you should be very proud of all you achieved and you should remember this for years to come.

Henderson Tournament

We trained very hard for the Henderson Tournament. We played three games, winning two, and losing one. We scored more goals than any other team and let in the fewest, but again we came up short to advance. The boys worked hard as we were short on players. Great job Selects.

Fall Season - Great Lakes U13 Premier League

Again we were unbeaten playing against an older division. This was the first year the boys played 11 v 11, and to watch them you would think they had been playing for years. We had endless compliments from opposing teams, and officials on the teams' unselfishness and professionalism on the field. Way to go Selects.

Special thanks

Special thanks to Jackie Messina (our team manager) for the endless emails, and phone calls to help organize our schedules. She was also part of our fund raising committee alongside, John D'Agnolo, Richard Pollock, Ron Cherubin and Paul Phillips. Thanks to Rick Brisson to the the fund raising efforts.

Special thanks also to John D'Agnolo for arranging the two golf tournament fund raisers and to Richard Pollock for the calendar idea and sponsors. Without these great ideas, the Italy cup would still be only a dream. Thank you to each and every one of them from the coaches and the players for making the Italy trip come true.

Many thanks to Paul Phillips, our assistant coach for all the help, guidance and fun you brought to the team. Thanks to coaches Paul Sparkes and Mark Frisby- Barrow for all their hard work and dedication to the boy's for the last three years.

This U11 team is probably one of the most successful teams to come out of the Selects program. The boys worked extremely hard, and the dedication they put in was over and above our expectation. Good luck to each and every one of you in the upcoming years, now that you have graduated from the Selects program.

None of this would have been possible without the help of all the parents, so we would like to say a big thank you from the coaches.

This is the team relaxing after one of the games in Italy.
